Agenda Item No. 6: Review and Consideration of approval of policy of "Board Officers and Organization" for the Calhoun Navigation District.

A discussion was conducted on the proposed policies regarding the election of officers of the Board, tenure policies. A motion was made by Commissioner Diebel, seconded by Commissioner Boyd, and motion carried unanimously that the following policy be adopted:

BOARD OFFICERS AND ORGANIZATION
POLICIES AND PROCEDURES OF THE
BOARD OF COMMISSIONERS OF
CALHOUN COUNTY NAVIGATION DISTRICT

BOARD OFFICERS AND ORGANIZATION

1. The offices of the Board shall consist of a Chairman, and Secretary, to be elected by the Commissioners from and among their number.
2. The offices of Chairman, and Secretary, shall be for a term of two years, said officers to be elected by a simple majority of the quorum of the Board.
3. No officer may succeed himself in the next succeeding officer election, but may be again elected to the same office after retiring for one, two-year term.
4. The election of officers will be held by the Board at the first regular Board meeting on the first month following the regular election of commissioners.
5. If for any reason the office of any officer is vacated during the term for which such officer is elected, the remaining members of the Board shall, at the next scheduled regular meeting, elect a new officer to fulfill the unexpired term, which unexpired term will not be considered as a full term and such Board member shall be eligible for reelection to serve a full two-year to such office.
6. In the absence of the Chairman, the Secretary shall preside as Chairman.

Agenda Item No. 7: Review and Consideration of approval of 1997 Operations and Maintenance Tax Levy for the Calhoun County Navigation District.

The Board Members reviewed the 1997 Tax Levy at the recommended 1.17 Cents per \$100/valuation.

Agenda Item No. 8: Port Director's Report.

Robert H. Van Borssum, Port Director, reported the following:

A. Harbor traffic statistics for the month of April 2007:

That a total of 82 vessels had arrived at the public port facilities during the month of April 2007: 16 deep draft arrivals and 66 inland barges. Further, that 22 deep draft vessels were already on schedule for May arrival with one vessels going to multiple berths.

That the total revenue ton throughput for the month of April 2007 was 318,631.7 short tons.

B. Regarding the status of Fiscal Year 2007 capital improvement projects:

1. **Port Services Building Construction:** That the building had been completed and all checklist items were completed. Final Payment and Release of Retainage authorization was requested in Agenda Item No. 9.
2. **Walkway Extension Around the GCD Mooring Pile:** That Welfab had completed the installation of the galvanize piece. Full payment to Welfab, Inc. for this work was check no. 21526.

C. Regarding the Maintenance Dredging Project of the Matagorda Ship Channel by the Corp of Engineers: That the LaQuay dredge had completed the re-dredging of the Upper reach and was now entering the turning basin.

D. Regarding the receipt of COE Permit No. 14521 (13): That after three years of processing, this permit amendment had finally been approved by the Corps of Engineers. Consequently, the Port Authority was working with the Corps of Engineers and LaQuay Dredging Co. to utilize PA 19 for the forthcoming maintenance dredging of the turning basin expansion area and the port berths pursuant to authorization provided in this permit amendment.

E. Regarding the preparatory work for the Request for Proposal Offerors for the Dry-Bulk Berth, work on the "Scope of Work" continued and would be completed with the addition of the soil borings. The Port Director anticipated scheduling the interviews with potential offerors to begin by the end of June.

F. Mr. Rafael Garcia from Calhoun LNG was present to provide a status report to the Board Members regarding ongoing work on the LNG FERC permit. Mr. Mark Mazoch from URS was present to provide a status report to the Board Members regarding ongoing work on the "Matagorda Ship Channel Improvements" permit from the Corps of Engineers.

Agenda Item No. 8: Port Director's Report.

Charles R. Hausmann, Port Director, reported the following:

A. Harbor Traffic Statistics for the month of April 2009:

That a total of 48 vessels had arrived at the public port facilities during the month of April 2009; 23 deep draft arrivals and 25 inland barges and a total of 124 invoices were issued.

Further, that 17 deep draft vessels were already on schedule for May arrival.

That the total throughput for the month of April 2009 was 317,023.2 short tons and total revenue tons for the year were 2,608,008.8 short tons. Ship Traffic was down 23%, barge traffic was down 37% and tonnage was down 33% for fiscal year 2009.

Regarding the status of Fiscal Year 2009 capital improvement projects:

There were no capital improvement projects underway at this time.

- B. That the liquid foam leak at the General Cargo Dock had been partially completed. The Port did not have to purchase any new foam and was waiting for the last part to come in so Webb Murray could complete the repair. The maintenance director saved approximately \$8,000.00 on this project by finding totes for a cheaper price.
- C. That Orion had driven approximately 114 concrete piles for the dry bulk dock and was continuing to build forms and pour concrete caps. The dredge should be back in the harbor to complete the dredging in June.
